## Guidelines for Teen Style submissions 2012

*Chesapeake Style* supports creativity of local high school students with a Teen *Style* page each month for local high schools/home schools. To participate here are the guidelines:

We would like a variety of work—***submissions from grades nine through twelve***. This includes *essays, poetry, artwork or photography*. Each High School will have one (or one-half) Teen *Style* page per issue. We need many submissions so that each issue will have a body of work from your school. Which work, which issue will depend upon layout and what fits. We attempt to include work from several schools each month. We need enough for eight issues, ***including summer when school is out***.

Submissions must be accompanied by a release/permission form completed by a parent and/or guardian. If there are several submissions from a student, one form will suffice for the school year.

We would like photos of students who submit work and we prefer photos taken by students. Submissions can be submitted via internet. The photographers will receive photo credit. ***We need high resolution photos and graphics***.

Deadlines are the second **Monday of each month** (except for Winter and Spring issues) for the Teen *Style* pages.

There is no cost to the school. The pages are paid for by businesses whose logos appear at the bottom of pages.

Copies of each issue are delivered to your school each month. Feel free to call me with any questions.
